STUDENT INFORMATION

ATTENDANCE AND ABSENCES

We expect students to attend all timetabled sessions, including classes, tutorials and workshops and arrive on time for each one. After all, how are you going to get the career of your dreams if you don't turn up to learn the skills and knowledge! Just to make sure we are all on track, we record, monitor and report on the attendance of all learners for all timetabled sessions.

All student attendance is monitored. For students who are sponsored a weekly attendance report is also sent to your sponsor.

Please avoid taking holidays during term time.

Pre-arranged appointment proof must also be submitted to the office in advance of your appointment.

You are recommended to read the student attendance policy on our website. Your course tutors are also on hand to assist with any queries you may have.

*If not reported correctly, this could end up in your pay being docked.

IDENTIFICATION CARDS AND LANYARDS

ID cards are issued to students during enrolment. The information on the card is used to log on to college computer system, therefore you must have it with you at all times when on college premises. If you lose your card, replacements can be obtained from the MIS enrolment desk at a cost of £5.

Your ID card is your library card and will be needed for exams.

You must also wear your lanyard/ID around your neck, so it is visible at all times, unless where workshop and other practical sessions are concerned.

For your safety, ID cards and lanyards are issued to all staff, students, and visitors to ensure that only authorised people are onsite.

We want to make sure all students are supported with their technology needs; and we have introduced a Laptop Loan Scheme. Please contact Student Services for more information regarding laptop loans and how to apply*. Applications must be made to the college's bursary fund regardless of previous eligibility at your previous school and must meet the government's own eligibility criteria.
